Author's Comment

In volume 1 I commented about it, but my room hasn't been remodeled at all. Rather, my objective has continued to be: "To keep the state of my room clean."...An expected development.

Summary of Volume 1

Anna has always been with Sou and Hinata ever since she was born. Even after all that's happened, she thought that their relationship wouldn't change. And yet Sou confessed to Anna. Anna likes Sou, but she can't imagine going out with him. Because she couldn't reject Sou's kiss, for some reason or another she decided to go out with him. However that didn't continue for very long and they broke up. Nevertheless, it was decided that Sou's birthday would be celebrated with Anna and Hinata. In the same manner as before, Anna wants to be friends with them even after that. But next year they're going into high school. It's not necessarily the case that all three of them will attend the same high school... Even though she's studying for her high school entrance exam, Anna's mock test scores were horrible. In the end, her mother has decided to find her a private tutor...

Today... is already the day before the Athletic Meet.
I think I will confess to him after the athletic meet, just as you suggested, Mariichan ^^;;
I'll tell you more tomorrow at school ^^.
Good night!
According to the message Mochizuki-san accidentally sent to me,
following the advice given by that Mariichan person,
Mochizuki-san will confess to Hinata tomorrow
And,

HA HA HA HA
Kashiro-san, you look cute with braids!
Mochizuki-san doesn't seem to have realized that she sent the message to the wrong person...
What should I do—? (Cries)

He hardly ever gets sick...
I'll visit him when I get home!
MAN, WHAT BAD TIMING FOR HINATA TO GET SICK
IF HE DOESN'T GET BETTER, HE WON'T BE ABLE TO COME TOMORROW, RIGHT?
It took him so much effort to get the panel done.

If Hinata doesn't go, then Mochizuki-san won't be able to confess to him tomorrow!!

杏菜と望月さんのサイコロコス着は③巻に収録されるかな？自業だと思いますけど。（それなかったらすみません）

カラー扉はいっぱい描かせてもらってきたのですが、仕事の中で1位、2位を争うくらい苦手な作業だったりします（ ；∀；）バックなしながまだしも、バックありのイラストが苦手なんです。漫画のストーリーの流れの中で絵を描くのはいいのですが、絵のみ、てラストとなると何を描いていいかわからなくなる…。センスないってことですね（ ；∀；）センスないなりに頑張って描いてますが…？
